

from yours truly,

WELCOME

TO THE NOFACE FAMILY

WHO AM I? WHO ARE YOU?

first of all, i am very excited to be here and that you're here to share this journey with me. it's taken a lot to get to this point but i'm proud to be here. noface is a name that stands for individuality, originality, and generally being who you decide to be despite the fuckheads out there telling you otherwise. this community is also a safe space, and i am willing to go to great personal measures to ensure that it stays that way.

as it stands, there are no foreseeable live shows for noface due to quarantine, but when that becomes a possibility you all will be the first to hear about it. until then, i will be working on putting out digital content for you all. i hope you've been managing well enough during our collective covid experience, though i know it has been difficult for all of us.

i am so very excited to hear your thoughts on the ep! please feel free to reach out to me at any point to talk or ask questions. talk to you all soon <3

sincerely,

max
